All applicant agencies must complete all of the following certifications:

CONTRACT AGENCY

- ☐ I certify that the applicant agency is currently under contract (and not on conditional status) with California Department of Education to provide childcare and development services to infants/toddlers, preschooler, and/or school-age children.

PRESENT NEED

- ☐ I certify that a present need exists for one or more of the following reasons: (1) the child care and development program ended or services were reduced or moved due to class size reduction, (2) the child care and development program expanded and will serve currently unserved eligible children, or (3) the current facility is substandard, presents a hazard to the health and safety of the children served, or will otherwise no longer be available for the program.

USE OF THE FACILITY

- ☐ I certify that the funds applied for under this program shall be used primarily for child care and development services to CDE subsidized infants/toddlers, preschool, and/or school-age children for the entire lease period.

PUBLIC LAND (check one)

- ☐ I certify that the facility acquired under this program shall be placed on public land and that the proposed site is available to be used for the placement of the facility funded under the CCFRF program for at least the term of the CCFRF lease.
- ☐ I certify that the facility acquired under this program shall not be placed on public land because there is no available space on public land, and no other available childcare and development services are in the area to be served. In addition, I certify that the proposed site is available to be used for the placement of the facility funded under the CCFRF program for at least the term of the CCFRF lease.

EXCESS COSTS

- ☐ I certify that the applicant agency now has, or has access to, sufficient funds to pay any project associated costs in excess of the specified maximum cost allowance (\$120,000 plus contingency and/or snow load allowances as justified and approved by CDE).

NONDISCRIMINATION COMPLIANCE

- ☐ I certify that the applicant agency has, unless exempted, complied with the non-discrimination program requirements of Government Code Section 12990 (a-f) and of Title 2, California Code of Regulations, Section 8113.
